

ADVANCED FLEET MANAGEMENT SYSTEMS

Personal Tracker - PT1 Advanced.

Where are they? Is always a question in everyone's mind.

With other accurate solutions to track personnel, you can only get an idea of where they are, but with the Utrack PT2 Advanced, you will be able to track, locate and take precautionary actions.

Excellent for private investigation, field workers, law enforcement on foot/bike, emergency service workers, ladies purse, vehicle, package, bikers, dementia patients, spouse or just about anyone or anything.

The PT2 Advanced unit can be installed in the same account to meet multiple needs to the user. Wear it, hide it, put it in the glove box, put it in briefcase, hide it under a car and many more locations with one purpose - track and locate.
